Attn: To whom it may concern

As the District Executive serving Beauregard and Vernon Parishes I can attest that the Packs and Troops of Calcasieu Area Council Boy Scouts of America are currently conducting a fundraiser. As such they are fully authorized to coordinate with local businesses to conduct show and sells of our local area's discount card.

Funds from this help the youth of our District develop character, citizenship, and fitness. If you have any further questions please let me know.

Yours in Scouting,

Zack Breeding | District Executive
